Microflex Acquires Black Dragon[®], Examination Gloves from Medtex

August 24th 2010– Microflex Corporation (Lake Forest, IL), a division of BarrierSafe Solutions International[®] (BSSI), a leading provider of latex and synthetic barrier protection, announced the acquisition of Black Dragon[®] examination gloves from MedTex in Englewood, NJ.

Black Dragon[®] gloves are recognized as the pioneer in high quality disposable black latex examination gloves in the tattoo industry. Black Dragon[®] gloves feature excellent comfort, tack and wet grip that will benefit users within all Microflex[®] target markets.

For more than 20 years, Microflex has been recognized as a quality leader among hand protection providers in Dental, Healthcare, Laboratory, Industrial Safety, EMS and Law and Corrections markets. With this acquisition, the Black Dragon[®] brand will become wholly owned by Microflex Corporation.
